

LARGE FORMAT DISPLAYS

DIGITAL SIGNAGE - SHARE YOUR STORY IN ANY SPACE

The iiyama professional large format signage displays are ideally suited to numerous industries and environments such as retail, business, education, transport, healthcare and many others.

The displays come in a wide range of sizes (up to 105") along with a variety of resolutions, features and specifications; plus options for landscape and portrait orientation with operating times up to 24hrs a day. Whether installed in mission critical control room facilities or vibrant digital signage for high end retail spaces, iiyama LFD's provide high performance and maximum exposure, ensuring the best impact and effect.
